OAKLAND A's EXECUTIVE OFFICE

WALTER A. HAAS, JR.
Owner/Managing General Partner

Long considered one of the top business and civic leaders in the United States, Walter A. Haas, Jr. is the man responsible for keeping baseball in Oakland. His belief in the Oakland community, and the surrounding area, paid off with great dividends in 1989, as the A's won baseball's top prize, the world championship. The club won three consecutive American League pennants from 1988-90 and broke the franchise attendance mark in each of those seasons, attracting a club record 2.9 million fans to the Oakland Coliseum in 1990.

In addition to his duties as Owner/Managing General Partner of the Oakland Athletics, Haas is also the Honorary Chairman of the Board of Levi Strauss and Company.

Born on January 24, 1916 in San Francisco, Haas went on to do undergraduate work at the University of California, before earning his MBA at the Harvard Graduate School of Business Administration. He has a wealth of business experience as he has headed some of the finest companies in America. Haas is a former Director of Bank of America, United Air Lines and the Pacific Telephone Company. He was also a member of the Trilateral Commission and has been a part of the Executive Committee of the National Alliance of Businessmen.

Almost equal in stature to his business experience is his dedication to the community. Commitment to the community has been a keynote of the Haas ownership of the A's and, when it comes to Walter A. Haas, Jr., this is the norm, not the exception. Currently, he is a member of the National Park Foundation and is on the Advisory Council of Reading is Fundamental, Inc. In the past, he has been a member of the Presidential Advisory Council for Minority Enterprise and a Director of the National Urban League. He has also dedicated a large portion of his time to the Federal Government, being a former member of the Presidential Task Force on International Development and a representative of the State Department (Agency for International Development) in Brazil, evaluating the government's projects of assistance to that country.

Additionally, he has been the recipient of countless awards in recognition of both his business and civic expertise. Most recently, he was honored by the World Affairs Council of Northern California in 1988.

Haas married the former Evelyn Danzig in 1940 and they have three children and six grandchildren. The Haas family resides in San Francisco.

WALTER J. HAAS

Concern for the community has been a hallmark of the Haas family, and Walter J. Haas has guided the A's Community Affairs Department to its current standing as one of the finest in all of sports.

A fourth-generation San Franciscan, Haas currently serves as the Vice Chairman of the Board of Trustees of the Marin Country Day School and is a trustee for the Evelyn and Walter A. Haas, Jr. Fund. He is a former Director of the Major League Promotions Corporation and was honorary Chairman of the San Francisco Chapter of the Legal Assistance to the Elderly, Inc.

THE ATHLETICS FRANCHISE

The 1994 season marks the Athletics 27th season in Oakland, and the 14th year under the current ownership. The Haas family took control of the club on November 3, 1980, and has since built the organization into one of the finest in all of professional sports. When they purchased the club from Charlie Finley, the Haas family inherited an organization with a depleted minor league system, a front office of six employees and a team that had lost 187 games the previous two years. Now the team on the field has won more games the past six seasons than any club in baseball, and both the Player Development System and front office rank with the very best.

Since the 1981 season, the franchise has now won five American League West division crowns, three consecutive American League pennants (1988-90), and the 1989 world championship. Oakland was the first team to win three consecutive American League titles since the 1976-78 New York Yankees.

The Athletics' history has been spiced with color and dotted with championships. From their beginnings under Connie Mack in 1901 to Tony La Russa's current version, the Athletics have won a record 10 division titles, 15 American League pennants and nine world championships. Mack managed the A's for an incredible 50 seasons until 1950 when he finally gave way to Jimmie Dykes. After nine American League pennants and five world championships the franchise was sold to Arnold Johnson in 1954, and Johnson moved the team to Kansas City for the 1955 season. After 13 seasons in Kansas City in which the club never played .500 baseball, Charlie Finley, who had entered the scene in 1960, moved the franchise to Oakland just prior to the 1968 season. In 1969 the A's won 88 games, the most victories for an A's club since 1932, and it would be the fewest wins for the team over the next six years. The A's became one of the dominant teams of the 1970's, winning three consecutive world championships from 1972-74. The franchise again fell on hard times in the late 70's but was brought back to life again when the new ownership took control of the club for the 1981 season.

THE A's IN THE COMMUNITY

Commitment to the surrounding community has been a hallmark of the Oakland Athletics ever since the Haas family assumed ownership of the club in November of 1980. At that time, the A's made a commitment to increase their involvement in the community and to make the game of baseball accessible and enjoyable to all people. It became the A's goal to contribute to civic, youth, disabled, senior citizen and charitable organizations of the Bay Area region by utilizing their various resources.

Early in the Haas family ownership, the club established the A's Community Fund. The A's Community Fund is a non-profit organization that makes it possible for the A's to invite deserving members of the Northern California community out to the ballpark. The Community Fund relies on the support of private individuals, players, corporations and the A's annual Community Fund Golf Tournament for its support.

The Community Fund is administered by the A's Community Affairs Department. With over 50 different programs, the A's have made an effort to reach out to the entire Northern California community. The following organizations are just a few of those that benefit from the A's diverse dedication to the community: East Oakland Youth Development, the Oakland Police Activities League, the Spanish Speaking Foundation, Big Brothers and Big Sisters, the United Way, the Association for Retarded Citizens and the California Congress of Senior Citizens.

The A's Community Affairs Department and the A's Community Fund reflect the club's continuing effort to build the relationship between the team and the community that supports it.

THE WALTER A. HAAS, Jr. COMMUNITY ACHIEVEMENT AWARD

Beginning in 1987, the Oakland A's instituted the Walter A. Haas, Jr. Community Achievement Award. The award is given to an Oakland Athletic for achievement on the field and in the community. Mike Bordick and Terry Steinbach were the 1993 recipients.

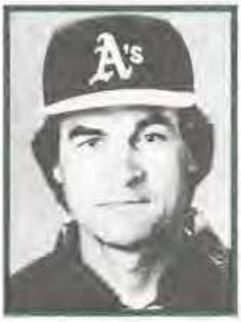
10 TONY LA RUSSA MGR



Anthony La Russa Jr.
1994 Opening Day Age: 49
Born: Tampa, Florida, October 4, 1944
Height: 6-1 **Weight:** 190
Named as A's manager July 1, 1986
Contract status: Signed a two-year contract extension through the 1994 season, March 5, 1992.

The 1994 season marks Tony La Russa's 16th season managing in the majors, including seven and one half years with Oakland. His honors include three Manager of the Year awards, five American League Western Division titles (including four with the A's), three American League Championships and one World Title.

Since arriving in Oakland on July 7th, 1986 Tony has helped restore the A's to one of the most powerful clubs in all of baseball, winning four American League Western Division Titles in the last six years. Added to his 1983 Western Division title with the White Sox, he has won five of the last 11 A.L. West championships. La Russa's career record stands at 1202-1043, a .535 winning percentage. His win total ranks 30th on the all-time list. Among current major league managers only Toronto's Cito Gaston (.575), Cincinnati's Davey Johnson (.573) and Detroit's Sparky Anderson (.552) have a better career winning percentage than Tony. No one has managed the Oakland A's for more games (1213) or to more victories (680). Tony's .561 winning percentage as the A's skipper is second only to Dick Williams .603 mark with Oakland.

Returning to the A's was something of a homecoming for Tony. He was signed to his first pro contract by the then Kansas City A's on the night he graduated from high school in 1962. He made his major league debut just one year later with the A's. Tony went on to play professionally for 16 seasons, but never once spent an entire year in the majors. After his stint with the Kansas City in 1963, Tony didn't make it to the majors again until 1968, this time with the A's of Oakland. He went on to play parts of four years in Oakland before finishing out his playing career with Atlanta and the Chicago Cubs.

Tony's managerial career began in 1978, when he took over the White Sox' Double-A team in Knoxville. That year his team went 53-25, earning Tony a promotion to the White Sox' coaching staff. At the beginning of 1979, Tony was named the manager of the Sox Triple-A squad in Iowa, but that position didn't last long. On August 2nd of that year, Tony took over the helm of the White Sox, replacing Don Kessinger. Over the next seven years, he established himself as one of the top managers in the majors. His most successful year with the Sox' was 1983, when the club posted a 99-63 record, which was the best in baseball that season. He was rewarded for his effort that year by being named "Manager of the Year" by *The Sporting News*, the Associated Press and the Baseball Writers Association of America. He had the '84 Sox tied for first place at the All-Star break, before finishing 5th with a 74-88 record. Tony was relieved of his duties with the White Sox on June 19, 1986, and assumed the managers role in Oakland on July 7th, 1986.

In just his second full year with the A's, 1988, Tony managed the club to an AL West record 104 victories, the AL pennant and into the World Series. For his efforts that season he once again earned the BBWAA and *The Sporting News* Manager of the Year honors. From 1988-90, the A's led the major leagues in victories, only the 11th time in baseball history a team has accomplished that feat. During that span, La Russa's A's became the first to win three consecutive AL pennants since the 1976-78 Yankees. The A's 1989 World Championship was the fourth for the Athletics since moving to Oakland in

1968, but Tony's first as a major league manager. On July 14, 1991 he became the 40th manager in Major League history to win 1000 games when the A's defeated Baltimore 3-2 in 11 innings. He again earned BBWAA and *The Sporting News* Manager of the Year awards in 1992, guiding the A's to their fourth A.L. West title in five years.

A graduate of Florida State University's School of Law in 1978, Tony passed the bar exam in December of 1979. He is one of only five lawyer/managers in baseball history, the other four—Monte Ward (New York Giants and Brooklyn Dodgers, late 1880s), Hughie Jennings (Detroit, 1907-20), Miller Huggins (St. Louis Cardinals and New York Yankees, 1913-29) and Branch Rickey (St. Louis Browns, 1914-15)—are all in the Baseball Hall of Fame.

Tony makes his home in Danville, California with his wife, Elaine, and their two daughters, Bianca Tai (9-14-79) and Devon Kai (8-17-82).

18 DAVE DUNCAN COACH

David Edwin Duncan
1994 Opening Day Age: 48
Born: Dallas, Texas, September 26, 1945
Height: 6-2 **Weight:** 200
Named as A's pitching coach July 1, 1986

Dave arrived with Tony La Russa in July of 1986 and under Dave's guidance the A's pitching staff has been one of the best in baseball over that span. From 1988 to 1990, Dave's staff had the lowest ERA in the league, the first staff to earn that honor since the 1968-73 Orioles won six in a row. The A's topped the majors in ERA in 1990, becoming just the second AL pitching staff to lead the majors in ERA since the inception of the DH in 1973. The other staff was the 1974 A's. Duncan's 1989 staff also boasted four men with 17 or more victories, thus becoming only the third staff (1951 Indians, 1971 Orioles) since the 1927 Yankees to have at least that many pitchers win 17 or more. In addition, the bullpen has recorded a major league leading 334 saves since 1988.

Like his manager, Duncan is no stranger to the Oakland organization. Dave signed his first major league contract with the Kansas City A's in 1963, and made his major league debut with that same club in 1964. When the team moved west, Duncan went along with it, and spent 5 years in Oakland as a player. During that time, he caught some of the best pitchers of the 70's, including Jim "Catfish" Hunter, Vida Blue, Rollie Fingers and Ken Holtzman. He appeared in the American League Championship Series in 1971 and 1972, and played in the World Series in 1972. After leaving the A's, Duncan finished up his career with two year stints in Cleveland and then in Baltimore.

Duncan started his coaching career in 1978 with the Cleveland Indians. In 1982, he was hired on as pitching coach of the Seattle Mariners. His staff that year led the A.L. in strikeouts with 1002, and finished second in the circuit with 39 saves and 11 shutouts. He left the Mariners in 1983 to join the White Sox. That year Sox pitchers led the majors in wins (99) and the A.L in fewest walks (447). Duncan's staff also had the league's Cy Young winner, LaMarr Hoyt. After a disappointing '84 season, Duncan's '85 White Sox staff posted a club record of 1023 strikeouts. During his career, Dave has been associated with six Cy Young winners. Along with Bob Welch, Dennis Eckersley and Hoyt, Duncan caught Blue and Hunter in Oakland, and Jim Palmer in Baltimore.

Dave and his wife Jeanine have two sons, Christopher and David, and they make their winter home in Tucson, Arizona.

5 ART KUSNYER COACH

Arthur William Kusnyer
1994 Opening Day Age: 48
Born: Akron, Ohio, December 19, 1945
Height: 6-2 **Weight:** 205
Named as A's bullpen coach December 1, 1988

The 1994 season will be Kusnyer's sixth as the Athletics bullpen coach. Art's first season with the A's was one he will remember for a long time. In addition to coaching in the World Series for the first time, he was also a member of the winning 1989 AL All Star

coaching staff. Kusnyer is no stranger to manager Tony La Russa, having been a member of La Russa's coaching staff in Chicago for over 5 years.

A catcher in his playing days, Kusnyer began his career in the Chicago White Sox organization. He played in the major leagues with the White Sox, Angels, Brewers and Royals, appearing in 139 major league games and compiling a .176 lifetime average. His major league highlight came July 15, 1973 when he caught Nolan Ryan's second career no-hitter in Detroit.

Art's coaching career began in 1979, when he closed out his playing career as a player-coach at Iowa. He was promoted to the White Sox major league staff the next season, and remained there until 1988. In 1988, Kusnyer assumed the managerial duties at Sarasota and was there when the A's and La Russa called in December, 1988.

Art and his wife, Judy, have one son (Ryan) and live in Sarasota, Florida.

6 JIM LEFEBVRE COACH

James Kenneth Lefebvre
1994 Opening Day Age: 52
Born: Inglewood, California, January 7, 1942
Height: 5-11 **Weight:** 190
Named as the A's hitting instructor October 18, 1993

Jim Lefebvre returns to the A's organization after being away for five years. Lefebvre, the A's third base and hitting coach in 1987 and 1988, comes back to Oakland after managing the Seattle Mariners for three seasons (1989-91) and the Chicago Cubs for two years (1992-93). At Seattle in 1991, Jim led the Mariners to their first winning season (83-79) in franchise history and in 1993 he guided the Cubs to an 84-78 record, the seventh time Chicago has finished above .500 in the last 25 years. Lefebvre's overall managerial record is 395-415.

Jim has been involved in professional baseball for 31 years, signing his first pro contract in 1962 with the Los Angeles Dodgers organization. He made his major league debut in 1965 with Los Angeles and earned NL Rookie of the Year honors (BBWAA) as the starting second baseman for the World Champion Dodgers. He was an NL All-Star in 1966, finishing the year with career highs in average (.274) homers (24) and RBI (74). A member of the Dodgers' switch-hitting infield that also included Jim Gilliam, Maury Wills and Wes Parker, Lefebvre homered from both sides of the plate in a win over Cincinnati May 7, 1966. He appeared in two World Series with Los Angeles and hit .273 (6 for 22) with a homer. Jim played his entire major league career with Los Angeles and finished up in 1972 with a career .251 average.

Lefebvre's playing career continued another four years (1973-76) with the Lotte Orions of the Japanese Leagues. He served as a coach for Lotte during his fifth and final season in Japan.

His managing career began in 1978 when he guided Lethbridge (Los Angeles) of the Pioneer League. He was promoted to the Dodger's coaching staff in September of 1978 and remained with the major league club for 1979. He joined the San Francisco organization in 1980, spending the next seven seasons with the Giants. He was a major league coach (1980-82), the director of player development (1983-84), and the manager at Phoenix (AAA) (1985-86). At Phoenix he was named the PCL's Manager of the Year following both years and in 1985 was named *Baseball America's* Minor League Manager of

the Year. Tony La Russa named Jim to his staff in 1987 and he was a member of the A's 1988 AL Championship club.

Jim and his wife, the former Ruth Endersby, reside in Scottsdale, Arizona during the winter months. The Lefebvre's have four children, Ryan, Briana, Bryce and Brittany. Jim is the co-founder of Athletes for Youth, a crusade against drug abuse. He is also the co-author, along with his father Ben, of the book "The Making of a Hitter." Prior to the 1992 season Lefebvre helped conduct a series of clinics in Holland, Italy and Czechoslovakia.

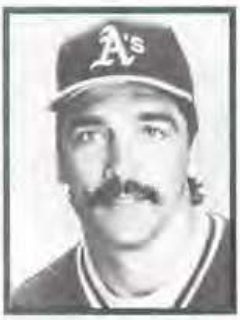
8 DAVE McKAY COACH



David Lawrence McKay
1994 Opening Day Age: 44
Born: Vancouver, British Columbia, March 14, 1950
Height: 6-1 **Weight:** 195
Named as A's coach, May 24, 1984

The 1994 season will mark Dave McKay's 15th season with the Oakland organization, the longest tenure of anyone on the staff. McKay will once again be in the first base coaches box.

McKay first came to the A's just before the 1980 season after nine years in the Minnesota and Toronto organizations. He played in 280 games for Oakland from 1980-1982 and spent the 1983 season in the minor leagues as a player-coach. He helped the A's capture the 1981 Western Division flag by hitting .288 in the latter half of the year and by belting a home run in the divisional playoff series against Kansas City. McKay's professional career had begun 10 years earlier when he signed a free agent contract with Minnesota for the 1971 season. He spent four years in the minors before breaking in with the Twins in a big way. He homered off Detroit's Vern Ruhle in his first big league at-bat on August 22, 1975 and went on to hit safely in 21 of his first 22 games. After the 1976 season, the Toronto Blue Jays selected McKay in the expansion draft and he was the starting third baseman in the Jays' first game ever. He tied a major league record in 1978 by drilling two doubles in the same inning of a game. He split time between Toronto and Syracuse in 1979 and opted for free agency at the end of that year. He signed with the A's as a free agent April 4, 1980.

Dave joined the A's as a coach in May of 1984 and was assigned to the bullpen to oversee pitchers warming up. He spent the balance of the '84 season and all of the 1985 campaign in the pen before taking on the first base coaching chores for 1986. After returning to the bullpen for 1987 Dave then spent 1988 in the dugout with manager La Russa before returning to the first base coaching lines in 1989.

Dave earned a degree in physical education from Columbia Basin JC in Pasco, Washington and later attended Creighton University in Omaha, Nebraska. Dave was born in Canada and his wife, Lene, is from Denmark. The McKay's reside in Scottsdale, Arizona with their son, Cody, who is currently the starting shortstop at Arizona State University.

15 TOMMIE REYNOLDS COACH

Tommie D. Reynolds
1994 Opening Day Age: 52
Born: Arizona, Louisiana, August 15, 1941
Height: 6-2 **Weight:** 190
Named as A's coach, December 9, 1988

The 1994 season will be Tommie's sixth on Tony La Russa's staff, his second as the third base coach. He served as the bench coach in his first four seasons with Oakland. Like so many of the other A's coaches, Tommie is no stranger to the A's or the Oakland organization.

From 1986-88 Tommie was a manager in the A's minor league system, guiding the Huntsville Stars in 1988 and the Modesto A's in the two previous seasons. Prior to that, Tommie spent five seasons as a roving minor league hitting instructor for the Chicago White Sox and two seasons as a player-coach for Spokane.

Tommie began his major league career with the Kansas City A's, and played parts of the 1964 and 1965 seasons with K.C. After a stop in New York for the 1967 season with the Mets, Tommie found himself in Oakland for the 1969 season. That year, he hit a career-high .257 with 2 homers and 51 runs, both career bests. Tommie spent the 1970 and '71 seasons with the California Angels, before closing out his career with the Milwaukee Brewers.

A graduate of Lincoln High School in San Diego, Tommie and his wife, Penny, have two children, Tanya and Tommie Jr. The Reynolds spend the winter in Lemon Grove, California.

13 BRENT GATES 2B

Brent Robert Gates
1994 Opening Day Age: 24
Born: Grand Rapids, Michigan, March 14, 1970
Bats: Switch **Throws:** Right
Height: 6-1 **Weight:** 180
Major League Service: 152 days

Contract Status: First year of a one-year contract through 1994.

1993 HIGHLIGHTS — Started the year at Huntsville (AA) but by the end of the season was a legitimate candidate for Rookie of the Year honors in the American League...after just 12 games at Huntsville where he hit .333 with 11 RBI was bumped up to Tacoma (AAA)...played another 12 games at Tacoma and was hitting .341 when the A's called May 5th...made his major league debut at Fenway Park May 5th and picked up two hits that night...his first hit a single off Boston's John Dopson...next day faced Roger Clemens and picked up a single...it was a sign of things to come as his longest hitless streak of the season was four games...a consistent hitter all season, Brent hit .291 up to the break and .289 in the second half...hit at least .276 in every month that he played and saved his best for last hitting .322 (38 for 118) in September/October...despite missing the first 22 games of the A's season led the club in multi-hit games (49) and finished second to Sierra with 69 RBI...his RBI total second only to Phil Garner's 74 in 1976 for RBI by an Oakland second baseman...25 of his 69 RBI either tied the game or put the A's in the lead...led the A's with a .302 average with runners in scoring position and two out...hit .277 for innings 1-6 then pumped it up to .315 (56 for 178) from the 7th inning on...was also the top road hitter on the club at .314 (87 for 277)...did his best work vs. Detroit (.391), Seattle (.364) and Cleveland (.333) and had a personal best 10 RBI vs. California...Gates played 139 games at second base the fourth most games in one season played by an A's second baseman (Garner 160 in 1975, Garner 159 in 1976, Green 143 in 1971)...fielding percentage of .981 was fifth best among league second basemen...made just 6 errors in his last 391 total chances...was with the A's exactly a week when he capped a 9th inning comeback vs. Texas with an RBI double off Henke May 12th...first homer was off Kansas City's Gordon in KC May 19th...average had dipped to a season low of .253 on June 19th when he put together a season best 11 game hitting streak and after he had the streak broken went on to hit safely in the next 6 games...drove his average up to .296 in the 18 game streak...first four hit game of his career was September 24th at Seattle...finished the year off strong with multi-hit games in each of his last six contests...placed in the leadoff position for the final series of the year and proceeded to pick up seven hits and a walk from the top spot...hot streak to closeout the year pushed his average to a final mark of .290, an Oakland record for a switch hitter.

CAREER: **1991**—hit .189 in the first 11 games of his pro career at Southern Oregon but over the remainder of the summer hit at a .305 pace to finish at .288...named the league's All-Star shortstop and, in a vote of league managers, was named the fourth best prospect, the second best position player in the league...following the conclusion of Southern Oregon's season was moved to Madison in August and in four games for the Muskies picked up 4 hits in 12 at-bats. **1992**—spent the full season playing second base at Modesto of the California League and put together an All-Star season...finished sixth in the league and led his club with a .321 average...average had slipped to .262 on July 5th but then hit safely in a California League record and a 1992 professional baseball best 35 consecutive games from July 6th to August 11th...during the streak Gates hit .433 (61 for 141) and raised his average 54 points to .316...wound up hitting safely in 39 of his last 40 and in 49 of his final 54 games to finish at .321...hit a combined .372 for July and August...also finished second in the league in doubles (39), fourth in hits (162) and walks (85), fifth in toughest

to fan (1 strikeout every 10.05 plate appearances), and tenth in both on-base percentage (.414) and slugging percentage (.465)...playing his first full year at second base, Gates fielded at a .970 clip...after the season he was named to the Cal League All-Star squad and as the third best prospect in the league by *Baseball America*...a member of the A's Fall Instructional League club, Gates had his season end in Arizona on September 29th when he fractured his sternum in a collision at home plate.

PERSONAL/MISCELLANEOUS: Graduated from Grandville High School (Michigan) in June, 1988...attended the University of Minnesota for three years...never missed a game during his Minnesota career, starting in 179 consecutive games...Brent was the first member of the Minnesota team to hit better than .400 since the A's Terry Steinbach hit .402 for the Gophers in 1982...Gates also finished up with a career .387 average to break Steinbach's career mark of .375...following his junior and final year at Minnesota, earned All-American status and was named the Big Ten Player of the Year...played shortstop for the 1989 Team USA club that played in the Intercontinental Cup Tournament in Puerto Rico...led that club with a .353 average...signed by A's scout, Marty Miller...Brent and his wife Tiffany reside in Tempe, Arizona during the winter months.

DID YOU KNOW...

That the A's are the only American League club to have three straight Rookies of the Year. Jose Canseco won the award in 1986, followed by Mark McGwire in 1987 and Walt Weiss in 1988. In the National League, the Los Angeles Dodgers won four straight awards from 1979-82.

Toronto belted a 2-run homer off Morris in his first at-bat but then finished the post season 2 for his last 19 with 1 RBI...spring training was a good indication of what kind of year McGwire was set for as he led the major leagues in hitting with a .453 Cactus League average...June 10th in Milwaukee a big day in Mark's career as his 22nd home run of the 1992 season off the Brewer's Bosio was the 200th of his career....only four men in baseball history, Kiner, Ruth, Killebrew and Mathews have reached the 200 mark faster than Mark who hit his 200th in his 2,852nd at-bat...that homer also tied his total for 1991...reached the All-Star break with 28 homers and was named to the AL All-Star squad for the sixth consecutive year, it was the fifth straight year he was named a starter by the fans...in the All-Star home run hitting contest belted 12 homers to top everyone and lead the AL All-Stars to an easy win...with 38 homers on August 21st had a 6 homer bulge over Gonzalez but strained a rib muscle on the right side of his rib cage that night at Camden Yards and went on the disabled list for only the second time of his career...when he came back 20 games later had lost the homer lead...with 1 swing at Chicago September 21st reached the 40 homer and 100 RBI plateaus...second time he had reached the 40 homer mark and third time for 100 RBI...homered at least once vs. every AL club with his best success vs. California and Chicago hitting 6 homers off each club...McGwire only the third Athletic in club history (Philadelphia, Kansas City and Oakland) to have two seasons of 40 or more homers joining Foxx (3) and Canseco (2).

PERSONAL/MISCELLANEOUS: Graduated from Damien High School (Claremont) in 1981...attended the University of Southern California for three years...still holds the Pac-10 Conference record for most homers in a single season (32)...was a member of the United States Olympic team in 1984...brother, Dan, is a quarterback for the Seattle Seahawks and was that club's number one selection in the 1991 NFL draft...finished in a second place tie in the 1993 AT&T Pebble Beach ProAm with his partner Billy Andrade...Mark resides in Alamo, California and has one son, Matthew.

1993 HIGHLIGHTS — The A's opening night starter but finished the season with his lowest win total in 7 years and the highest ERA of his 16 year major league career...failed to win 10 or more games for the first time since 1986 and for just the third time in his career allowed more hits than innings pitched...only Baltimore's Sutcliffe allowed more hits per inning (1.28 to Bob's 1.25), more baserunners per 9.0 innings pitched (15.8 to Bob's 14.6) and a higher batting average allowed (.314 to Bob's .310)...with a 9-4 opening night win over Detroit and former teammate, Mike Moore, became only the 91st pitcher in major league history to record 200 victories...finished the season with 208 career wins to rank fifth among pitchers active in 1993 (Ryan, Morris, Tanana, and Hough) and tied for 80th all-time with Carl Mays and Eddie Cicotte...next up with 209 victories is Milt Pappas, Vida Blue and Don Drysdale...had his start April 23rd rained out so pitched 2.0 innings in relief vs. Cleveland the next day...just the 26th relief appearance of his career and first since July 22, 1984 with Los Angeles...he had made 263 consecutive starts...also pitched in relief July 21st at Cleveland and picked up a win during the A's group rotation setup...won his first 2 starts in May and was 4-2 with a 4.08 ERA but then over his next 7 starts went 0-4...the seven starts without a win the longest dry spell of his A's career...broke the streak with a win over Kansas City June 20th and won his last 2 decisions before the break to finish 6-6 with a 4.84 ERA at the All-Star break...after the break won 2 of his first 3 decisions to go 8-7 but in his start August 7th at Kansas City Brett lined a ball off Bob's right wrist and he suffered a severe bruise...Welch went on the 15 day disabled list August 8th and did not return until his start August 24th...recorded his ninth and final win on the year August 29th vs. Detroit and in the process went over the 3,000 innings pitched plateau...lost his last 4 starts on the season allowing 31 hits and 20 earned runs in 20.2 innings...Bob has 93 wins as a member of the A's...only Hunter (131), Blue (124) and Stewart (116) have won more games than Bob in an Oakland uniform...entered the 1993 season 49-18 (.731 winning percentage) with a 2.75 ERA (547.1 IP, 167 ER) in 80 career starts at the Coliseum but in 1993 was 5-6 with a 5.61 ERA (85.0 IP, 53 ER) in 15 games, 14 starts in Oakland...was 4-5 with a 4.96 ERA on the road...the A's were 8-20 in Bob's 28 starting assignments.

and four saves...made only six appearances during the next 3 months, losing 5. **1980**—won six consecutive decisions from 4/30 to 6/3 and 9 of first 12 to win spot on N.L. All-Star team. **1981**—was a big question mark during spring training due to a bone spur in his right elbow...used rest and medication to ease problem and finished strong, winning last 4 decisions...worked out of bullpen during post-season, except for one start...started game 4 of the World Series but failed to record an out in game that Dodgers eventually won. **1982**—won 16 games and was involved in 6 one-run games in which he had no decision...played right and left field in wild 21-inning game at Chicago 8/17-18...co-authored book "5 O'Clock Comes Early, A Young Man's Battle with Alcoholism" with New York Times' George Vecsey, detailing his struggle to keep his career on track. **1983**—tied Fernando Valenzuela for most wins on staff with 15, one shy of his career high at the time and tied for fifth in the league...third in the league in ERA with a 2.65 mark, a then-career best...also seventh in strikeouts and eighth in Cy Young balloting...pitched second career one-hitter 6/1 vs. Philadelphia (Von Hayes 4th inning single the only hit)...plagued by bursitis in left hip last three starts of regular season. **1984**—led staff in wins but his ERA hit highest point since 1979...sidelined from 8/30 to 9/17 with sore shoulder...had shutout string of 22 innings in late July and early August after being removed from rotation briefly due to problems with pitching mechanics. **1985**—pitched only once prior to June 5 due to sprained ligament in right elbow...finished in fine fashion, winning five of last six decisions, after having longest winning streak of his career (8, since surpassed) snapped August 25 and losing 2 in a row...won 13 of last 16 decisions...finished fifth in ERA race at 2.31 and in winning percentage (.778), tied for seventh in shutouts (3) and tied for ninth in complete games (8). **1986**—his 7-13 record hardly tells story of season...ranked 3rd in league with 3 shutouts and 8th in league with 7 complete games...struck out 183 batters, then a career high, and placed 8th in league...183-55 strikeouts-to-walks ratio was best on Dodger staff...18 of his 33 starts were decided by one run, including 5 losses and 11 no decisions...team scored a total of 21 runs in his 13 losses, including 3 shutouts...had a great April, going 3-1 with a 1.44 ERA...recorded 1000th career strikeout on 6/22 vs. San Diego (Garry Templeton)...won 100th game on 9/8 vs. Atlanta. **1987**—tied for the National League lead in shutouts (4), was second in innings pitched (251.2), and third in strikeouts (196)...tied for fifth in wins (15), was sixth in ERA (3.22) and tied for seventh in complete games (6)...reached the 8th inning in 29 of his 35 starts...Dodgers were 22-13 in Bob's 35 starts...had a career high stretch of 23 consecutive scoreless innings, beginning on April 24...in the 9 games he lost, the Dodgers scored a total of 15 runs...finished season and Dodger career with a 1-hitter vs. San Francisco on October 1...was his third career 1-hitter. **1988**—first AL season and set a new career high (since surpassed) with 17 victories...recorded seven consecutive wins April 24-May 25th and reached the All-Star break with 10 victories for the first time in his career...in start at Baltimore August 18th was touched for 9 earned runs, a career high for Bob...much better pitcher at home than on the road...was 13-4 with a 2.56 ERA at the Coliseum...on the road finished up 4-5 with a 5.29 ERA...post-season woes continued in playoffs...started Game 3 vs. Boston and allowed 5 earned runs in 1.2 innings...got no decision in A's win...bounced back vs. his former club, the Dodgers, in the World Series...started Game 3 and allowed just 1 earned run over 5.0 innings...added 8 strikeouts but again had no decision in an A's win, the A's only victory in the 1988 Fall Classic. **1989**—for the second consecutive year won 17 games...worked 200 or more innings for the seventh time, fourth consecutive season...finished third on the staff in innings (209.2), strikeouts (137), and starts (33) despite missing 14 games in June with a strained left groin...made just one post season appearance and

for two years before concentrating on baseball...in 1983 earned All-America honors in baseball after hitting .363 with 31 steals and that summer represented the USA in the Pan American Games...while playing on that team suffered ligament damage to his right knee while running out a ground ball and was forced to miss the 1984 college season...returned in 1985 to hit .316 and steal 56 bases...while at Fresno State, Eric completed a degree in physical education, played on three championship baseball teams and one championship football squad...Eric is single and makes his winter home in Fresno.

1993: A LOOK BACK

1993 SEASON IN REVIEW

ABOUT THE A's: When the season ended the A's were under the .500 level for the first time since 1986...the A's loss in Milwaukee on April 17th put them at 4-5 on the season and it was the first time since September 29, 1987 that Oakland had a record under .500...a span of 824 games...the 1993 A's never saw the .500 level again as they finished in the 7th and final spot of the AL West with a 68-94 record, 26 games behind the division winning White Sox...it was the fewest wins for the A's since 1982 when they also won 68 and the 26 game margin the most since the 1979 team finished 34 games behind the leader...it was 28 wins fewer than the 1992 division winning club as the A's became the first team since the 1914-15 Philadelphia A's to go from first to last...the 1986-87 California Angels went from the division title to a tie for sixth place...the A's spent 121 days in the 7th position, the most days in the last spot since 1979 when they set an Oakland club record spending 147 days in last...fell into 7th place May 1 and were never again above 6th...a season best 7 game winning streak June 29 through the first game of a doubleheader July 5 had the A's in 6th place for 19 days up to July 21 but that was the last time the Athletics held sole possession of sixth place spending 65 of the last 75 days of the season in 7th...the largest deficit of the season was the final count of 26 games and the lowest record in 1993 was 31 games under .500 at 52-83 on September 5...after falling to that season low, the A's played their best baseball of the season winning 14 of their next 20 games and going 16-11 over their final 27 games of the season...it started in Toronto September 7 as the A's opened a 10 game roadtrip by sweeping a 3 game set vs. eventual World Champion Toronto...Athletics went on to win 7 of the 10 games on the trip to record their first winning roadtrip of the year...after a 4-3 homestand continued to have success on the road sweeping 3 at Seattle September 24-26 and with the sweep tied Minnesota for the 6th position...but then dropped 5 of the final 7 games of the season to finish 7th.

PLAYERS USED: The A's used 43 players in 1993...22 pitchers (including Kevin Seitzer) and 22 players wore an A's uniform...10 of the 43 made their major league debut in 1993...in addition to the 21 pitchers the Athletics used 4 catchers, 11 first basemen, 8 second basemen, 5 third basemen, 6 shortstops and 15 different outfielders.

A's PITCHING: Including Kevin Seitzer, who made his major league pitching debut, 22 pitchers worked for the A's in 1993 with 12 different starters...19 different pitchers won at least one game as only Kevin Campbell, Joe Slusarski and Seitzer failed to record a win...the team ERA of 4.90 was the highest in the AL for 1993 and set a new Oakland record eclipsing the old mark of 4.74 set by the 1979 staff...it was the highest by an Athletic team since 1955 (5.35) and the highest in the AL since 1987 (Baltimore 5.01 and Cleveland 5.28)...staff walked an Oakland club record 680 hitters which was also the most by an A's team since 1955 (707) and the most in major leagues since Texas walked 760 in 1987...Seitzer became the sixth non-pitcher to pitch for the Oakland A's, the first since Vance Law at Kansas City October 2, 1991...his debut came May 2nd at Cleveland...he threw one pitch to strikeout Glenallen Hill.

THE STARTERS: From Joe Slusarski's one start to Bobby Witt's 33, 12 pitchers started a game for the A's in 1993...nine recorded at least one win as a starter...starters overall recorded 41 of the A's 68 victories and finished with a 5.19 ERA as a group...only Cleveland's 5.25 total was higher in the AL and the final figure was 1.32 runs per game higher than the 1992 final figure...A's starters averaged just over 5.5 innings per outing pitching 904.0 of the staff's 1452.1 total innings...the 8 complete games tossed by the starters equaled the franchise (1901-93) record for fewest set in 1992.

THE BULLPEN: Set an American League record with 424 relief appearances which would have tied a major league record but the Colorado Rockies set the new mark with 453 appearances in 1993...along with the most appearances, the pen also topped the AL working a total of 548.1 innings...led by Dennis Eckersley's 36 saves the pen saved a total of 42 of 64 save opportunities (66%)...the 42 saves finished in a tie with Baltimore for eighth most in the AL...the pen overall was 27-31 with a 4.43 ERA (548.1 IP, 270 ER)...Eckerley's total of 36 was the 5th best total in the AL but Eck's 10 blown saves his highest one season total...four other pitchers saved at least one game in 1993 with rookie Roger Smithberg the runner-up with 3 saves.

A's OFFENSE: The team batting average of .254 was the lowest in the American League but the run total of 715 was 10th best...846 runs allowed by the A's in 1993 was the second most in Oakland history (860 in 1979) and caused a run differential between what the A's scored and what they allowed of 131 runs...only Minnesota's (137) was larger...for the first time since 1983 the A's did not have a player hit 30 or more homers...yet, led by Sierra's 22 homers, the A's hit 158 homers, good enough for 7th best in the league and 16 more than they hit in 1992...finished fifth in the AL with both 622 walks and 131 steals...despite being traded July 31st Rickey Henderson still led the A's with 85 walks and 31 steals...rookies Troy Neel and Brent Gates led the A's with a .290 average although Neel's mark of .2904 to Gates' .2897 actually was the top figure.

COMEBACKS: Eleven times in 1993 the A's erased a deficit of 4 runs or more...7 times they went on to win and 4 times they lost despite the comeback...on June 18th at the Coliseum vs. Kansas City the A's came from 8 runs back to defeat the Royals and in the process set a new club record for largest deficit overcome to win.

A's FIELDING: The club's .982 fielding mark tied for sixth (with division champions Toronto and Chicago) in the league...the A's made 14 fewer errors than in 1992, making 111 errors which was the the 7th fewest in the loop...Seattle led the AL making just 90 errors...the A's turned 161 doubleplays to tie with California for fifth most...Mike Bordick tied the club shortstop record by playing 59 consecutive errorless games from July 7th-September 10th...he made just 13 errors total and among AL shortstops his .982 fielding percentage finished second only to Kansas City's Gagne...rookie second baseman Brent Gates was the fifth best fielding second baseman in the league with a .981 percentage (14 errors)...Terry Steinbach finished 8th (.989) among catchers and Bob Welch tied for the league's top spot among pitchers as he did not commit an error in 42 total chances...Ruben Sierra led the club outfielders with 9 assists.

THE DESIGNATED HITTERS: Rookie Troy Neel was the A's designated hitter for much of the season as he led the club with 318 of the 630 at-bats logged by the A's DH...Troy hit .274 with 15 homers and 44 RBI as the DH...his homer total 6th best in the league and his RBI total 10th best...the A's designated hitters combined to hit .257 with 26 homers and 86 RBI...the average was 7th best in the league, homer total 4th best and the RBI figure 10th best...Ruben Sierra with 102 at-bats and Dave Henderson with 100 at-bats as the DH finished 2-3 on the A's...over the season Tony La Russa penciled in 16 different names in the DH spot.

PINCH HITTERS: Pinch hitters combined to go 25 for 100 in 1993...the .250 mark 7th best in the American League...Mike Aldrete's .412 average in the pinch tied for the top average (with Minnesota's Chip Hale) among AL pinch-hitters with 15 or more at-bats...Aldrete also led the club with 7 pinch hits and 4 RBI...Aldrete, Dale Sveum and Kurt Abbott with the A's 3 pinch hit homers...all-in-all, 22 different pinch hitters were used by the Athletics in 1993.

A's AND THE DISABLED LIST: The A's used the DL 12 different times (11 different players)...Mark McGwire missed exactly 100 games from May 14th-September 2nd with torn tissue in his left heel.

A's AT HOME: Wrapped up the season 38-43 at the Coliseum...it was the first time since 1982 and just the 5th time in 26 years in Oakland that the A's finished under .500 at home...the A's won 9, lost 12 and tied 5 home series...the club hit .252 at the Coliseum, or 4 points lower than on the road, and as usual pitched better at home, posting a 4.34 ERA at the Coliseum as opposed to 5.49 on the road.

A's ON THE ROAD: Finished with a 30-51 mark on the road, their fewest road wins since 1986 (29)...most of the problems came in AL East parks where the A's were 11-31 which included an 0-6 record in Milwaukee and a 1-5 mark in Baltimore, Boston and Detroit...only at Toronto's SkyDome, where they were 4-2, did the A's hold the advantage in the home of an AL East club...were 19-20 on the road in AL West parks including a 6-1 record at Seattle's Kingdome...after starting the year by losing 45 of their first 64 road games the A's finished the road schedule strong winning 11 of their last 17...in series play on the road finished up winning 5, losing 17 and tying 3 but had won just 2 road series all year up until September...in September then won 3 of their last 5 road series...the A's hit .256 away from the Coliseum with rookie Brent Gates leading the club with a .314 road average...staff ERA on the road was 5.49.

A's VS. THE WEST: Played .500 baseball vs. the AL West with a final 39-39 record...were 20-19 at the Coliseum vs. the West and 19-20 in other AL West parks...at the Coliseum were at .500 or better vs. 4 of the 6 division clubs including a 5-2 record vs. Kansas City...continued to play well vs. Seattle with a 9-4 overall mark vs. the Mariners including a 6-1 record in the Kingdome...are now 21-5 vs. Seattle the past two seasons...went 4-3 vs. Texas at home but 1-5 in the final season at Arlington Stadium.

A's VS. THE EAST: For the second consecutive season finished under .500 vs. the East...in 1993 were 29-55 vs. the East with most of that on the road (11-31)...the A's 18-24 vs. the East at home...best record vs. the East was a .500 mark (6-6) vs. New York...went 2-10 vs. Baltimore, the most wins by the Orioles over the A's since 1978.

A's ATTENDANCE: 2,035,025 paying customers came to the Coliseum to watch the A's play in 1993, the sixth consecutive season the A's topped the 2 million mark in home attendance...only 6 teams have better current attendance streaks: Los Angeles, Toronto, St. Louis, Chicago Cubs, California and Boston...the Athletics also became only the 7th last place team in baseball history to draw 2 million or more fans...the A's total finished 11th in American League and was down 319,013 fans from the 1992 final tally.

DESIGNATED HITTER RULE

A hitter may be designated to bat for the pitcher in any spot in the batting order in any game without affecting the status of the pitcher. The designated hitter must be selected and be included on the lineup cards presented to the umpire-in-chief prior to the game. Failure to do so precludes the use of a designated hitter for that game.

The designated hitter is "locked" into the batting order but may be removed for a pinch-hitter or pinch-runner, who in turn becomes the designated hitter. The designated hitter, while still in the game, may be used defensively but the pitcher then assumes the batting order of the replaced defensive player, thus terminating the designated hitter role. The designated hitter is eligible for all American League batting titles.

DID YOU KNOW...

That on June 18, 1993, the A's set an Oakland record by overcoming an eight run deficit to win. Trailing Kansas City 8-0 entering the bottom of the second, Oakland scored twice in the second, six times in the fifth and two more in the seventh for a 10-9 win. The all-time Athletics record is also the major league record, set by the Philadelphia A's on June 15, 1925 against Cleveland. The A's trailed by 12 runs in that game and scored 13 times in the bottom of the eighth to win 17-15.

RICHARD EDWARD SCOTT

Born: Ellsworth, Maine, July 19, 1962
Height: 6-1 **Weight:** 175

Infielder in his playing career.

Dick Scott is in his fourth year as manager in the A's minor league organization, his first at Modesto. He has won league Manager of the Year awards at Southern Oregon (1993) and Scottsdale (1991) and has also managed at Madison. Dickie played professional ball for 10 years, including his last two with the A's organization at Tacoma. He batted .308 in his last year as a player-coach at the A's Triple-A affiliate. Scott made his only major league appearance with the A's in 1989. He was 0 for 2 in three games but did drive in a run during his two-week stay. He was signed by the A's as a minor league six-year free agent following the 1988 season after spending eight years in the New York Yankee organization. Originally a 17th round selection of the Yankees in the June, 1981 draft, he played at every level in the Yankee chain except the major leagues. After spending his first year in pro ball at Bradenton of the Gulf Coast League, Scott batted .500 in a brief five-game stint with the Yankees AAA Columbus team. He had perhaps his most productive season with Ft. Lauderdale of the Florida State league in 1984, batting .245 with six home runs and 37 RBI. In 1986, he hit .270 at Columbus and he finished his career in the Yankee organization at Albany (AA) in 1988.

THE A's ELEPHANT

Prior to the 1988 season the A's brought back one of the team's most familiar and successful characters from past years — the Athletics' Elephant. The fifth adaptation of the logo made its debut in 1993, featuring a more aggressive elephant holding two crossed bats in it's trunk. The A's Elephant has been featured in many of the club's promotions and publications. Also, each player wears a special A's Elephant patch on the left sleeve of their uniform.

For 60 years the Athletic Elephant was one of the most popular and colorful logos in all of major league baseball. In 1901 Connie Mack and his Philadelphia Athletics helped form the American League. The following year, New York Giants Manager John McGraw dismissed the A's with contempt, calling them "The White Elephants," implying Mack shouldn't be allowed to spend money without supervision. Mack defiantly adopted the White Elephant as the team insignia, and in 1902, the A's won the American League pennant.

The White Elephant remained the team's mascot until later that decade, when it finally made its way to an A's uniform. Its first appearance was on the team's sweaters. In about 1918, the Elephant finally saw game action when Mack had the pachyderm symbol (in blue with a white "A" inside) placed on the left sleeve of every player.

By 1920, Mack had fully adopted the A's Elephant as the team's symbol. Gone was the traditional "A" on the front of the jersey. In was a blue elephant logo. But after a few poor seasons, Mack decided a change was in order. So, in 1924, the blue elephant was replaced by the white elephant on the team's jersey. The new-look pachyderm seemed to do the trick, as the A's played better ball for the next few years.

In 1928, Mack decided the elephant had worn out its brief welcome on the A's jersey fronts. He replaced it with the familiar "A" on the uniforms, and the A's went on to win two World Championships and an AL crown in the next three years. This resurgence was probably due more to the additions of Foxx, Simmons, Grove, Cochrane, et al., than to the elephant's absence.

That was the last year for the elephant on the A's uniform until 1955, when the A's, now in Kansas City, added an elephant patch to their left sleeves. But when Charlie Finley purchased the team in the early sixties, the elephant mascot was once again sent packing, replaced by, of all animals, a mule. This was the last we saw of this loveable A's mascot until 1988.

Keeping with their tradition of looking to the future without forgetting the past, the current A's ownership decided in 1988 that the time was right to bring back the A's elephant. It has once again proven to be a "good luck" charm for the A's, as since its return the Athletics have won three American League pennants and one world championship.

BAY BRIDGE SERIES

The Bay Bridge series was initiated by the Athletics and the San Francisco Giants prior to the 1982 season. The series was originally a two-game set with the winner, in case of a tie, being decided by either a home-run hitting contest or most hits. In 1989, a three-game series was initiated. In 1994, the 13th annual Bay Bridge series will once again be a three-game format with the first two games to be played at Candlestick Park, April 1-2, and the third game at the Coliseum, April 3

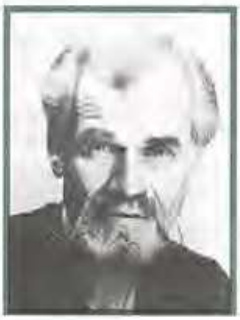
A's ON THE AIR



BILL KING, Director of Broadcast Operations, enters his 14th year of play-by-play for the A's. In addition to his work with the A's, Bill was also the voice of the Los Angeles Raiders and the Golden State Warriors. He worked with the Raiders from 1966 to 1992, broadcasting four Super Bowls in the process. From 1962 through the 1982-83 season King was the play-by-play voice of the Warriors. His style of broadcasting combines knowledge of the game with a special ability to paint word pictures which bring the radio listeners right into the action. King had his sport broadcast origins in baseball. He played semi-pro baseball as a youngster in the midwest and his first play-by-play job was for a club in Pekin, Illinois in 1948. Bill makes his home in Marin County.

LON SIMMONS begins his 14th year of play-by-play for the A's in 1994. Prior to joining the A's in 1981, Lon was well known in the Bay Area for play-by-play work with the San Francisco Giants and the San Francisco 49ers of the NFL. A native of Southern California, Lon was a three sport high school star in track, football and baseball. He signed a professional contract with the Philadelphia Phillies, but an injury cut short his promising pitching career after just two seasons in the minor leagues. His sportscasting career took him from Fresno to San Francisco in 1958 when major league baseball came out west. Lon paired with Russ Hodges to form one of the top announcing teams in the game. It was at this same time that Lon was building a solid reputation with play-by-play work for the 49ers. Lon has broadcast four World Series and one Super Bowl. Simmons is single and resides in Alameda.

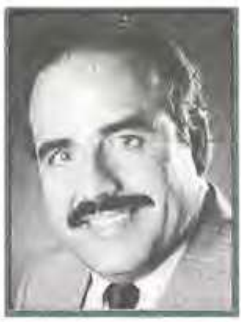
RAY FOSSE begins his ninth year as a member of the A's radio broadcast team, his sixth on the A's television network. In addition to his network duties on KRON, Ray will also serve as analyst for SportsChannel. Fosse brings with him the ability to inject a former players point of view into game broadcasts. Ray started his playing career in 1965 with Reading of the Eastern League. He saw his first major league action in 1967 with the Cleveland Indians, before finally breaking into the majors for good at the end of the 68 season. He spent five years with the Tribe before being traded to the A's prior to 1973. Ironically, one of the players the A's gave up to get Fosse was current A's pitching coach Dave Duncan. He went back to Cleveland in 1976, and finished up his playing career in 1979 with the Milwaukee Brewers. In 12 years of major league ball, Ray batted .256 with 61 home runs in 924 games. Ray had been a member of the A's front office for three years before devoting all his energies to broadcasting in 1987.

DICK STOCKTON begins his second season as the A's Television Network play-by-play announcer. Stockton has also worked for CBS Sports since 1978 where he was a member of the CBS baseball broadcast team from 1990-92. He has also announced NFL Football, NBA and NCAA Basketball, the Olympics and dozens of other events for CBS Sports Saturday/Sunday, which he hosted from 1978-80. A 1964 graduate of Syracuse University, his other baseball experience includes a stint as the voice of the Boston Red Sox at WSBK-TV from 1975-78 and a five year

run as play-by-play voice of CBS Radio Network's "Game of the Week" broadcasts from 1985-89. Dick and his wife, Lesley Visser, also a broadcaster for CBS, reside in Boca Raton, Florida.

GREG PAPA returns for his fifth season as A's play-by-play man on SportsChannel. In addition to his work with the A's, Papa also handles play-by-play for the Golden State Warriors Radio Network. He has been with the Warriors since the 1986-87 season. Before coming to the Bay Area, Papa spent two years as an announcer/analyst for the Indiana Pacers 55-station radio network. He has also done occasional work for NBC and ESPN. He is a graduate of Syracuse Universitys Newhouse School of Broadcasting. Papa resides in Danville, California.

JAY ALVES returns for a second year on the A's radio broadcasting team as the host of "The A's Answer Man." The show, heard five times a week prior to A's games, is designed to let fans participate by having their questions, about baseball or the A's, answered on the air. Alves, a member of the Athletics front office since 1981, is currently the club's Director of Baseball Information after also working in the teams scouting and marketing departments. A native of Half Moon Bay, California, Alves graduated from Half Moon Bay High School before moving on to the University of Arizona, where he earned his B.A. degree in Radio-Television in 1977. Jay's broadcasting career began in 1978 as a sports reporter and sports anchor with KGUN-TV in Tucson, Arizona. Alves, 39, and his wife, Doreen, reside in Castro Valley, California with their three sons, Andrew, Scott, and Jake.



AMAURY PI-GONZALEZ returns for his 13th season as the A's Spanish play-by-play voice. Amaury was born in Cuba but moved to Florida in 1961. He attended the University of Miami and did Spanish broadcasts for Miami's WFAB radio. He came to the Bay Area in 1970 and has since become the areas premier Spanish language sportscaster. He has covered the World Series, the Super Bowl, boxing, basketball and soccer for Spanish Radio, and he maintains a selected correspondent status with Spanish stations and newspapers outside the Bay Area. From 1985-87 he was a member of the CBS Spanish radio network play-by-play team that covered baseballs championship series and World Series. Amaury also anchored the A's Spanish network braodcasts for both the 1989 and 1990 ALCS and World Series in addition to the 1992 ALCS. Along with his work with the A's, he also broadcasts Golden State Warriors home games on KIQI. Amaury makes his home in Fremont, California with his wife, Gail, and two children.

ERWIN HIGUEROS begins his sixth season with the A's Spanish Radio. He was born in Guatemala, and moved to the United States when he was 12 years old. A graduate of Fremont High School in Oakland, Erwin also attended Cal State Hayward and Columbia School of Broadcasting. He has worked at KNTA the past five years, and his duties include the Tony La Russa Show. In addition to play-by-play, Higueros is also responsible for the engineering and production of the entire broadcast. Erwin and his wife, Maria, have two children.
